Gentlemen:-

In a List of Pensioners compiled in 1840 I find the name of Edith Holt who resided with Nathaniel Holt of Newport, R.I. Will you kindly tell me upon what ground she received a pension. Her husband's name was Benjamin Holt, it may possibly have been he, any information concerning this Edith Holt will be greatly appreciated.

If there is any charge please send the bill and I will send check or money order by return mail.

Very truly yours,

Gertrude Clark

Assistant Librarian.
